Song Title	Artist	Album
------------	--------	-------

It's that time of year again, GAY PRIDE! Of course, I myself am ALWAYS gay and proud, but this is the first year I get to celebrate with you, by playing some queer, or queer-like music. Listen proud: ready or not, queer I come!

A History of Lesbianism	Judy Grahn	Lesbian Concentrate
Gay & Proud	Debbie Lempke	Lesbian Concentrate
Leaping Lesbians	Sue Fink/Jocelyn Grippo	Lesbian Concentrate

I found this album in the \$1 bin at the Village Gate in Rochester, NY. It's a total f-you to the Anita Bryant anti-homosexual campaign in 1977. I myself was trying to wean myself off of thumb-sucking, blissfully unaware of future oral fixatuions...

Victim of Love	Erasure	Erasure Pop!The First 20Hits
Bali H'ai	Tak Shindo	Ultra Lounge
Party Girl	Grace Jones	12 Inch Single

Rogers & Hammerstein goes lounge. Tak Shindo musta hadda window to the collective gay man's conscious. Now for some classic rockyn wimmyn:

Stand Up (Love in the Corners)	Ferron	Phantom Center
Go	Indigo Girls	Come On Now Social
Yes I Am	Melissa Etheridge	Yes I Am

Thank you for clarifying, Melissa. Back in 1991 when my girlfriend and I got free tickets to see you at the Eastman Theater, we were wondering why 99% of the audience were screaming creaming dykes, and you WERE pretty studly...DUH. IG we saw a million times...I wonder what went through their heads when some frat boy yelled HELLO (pause) CHICKS!!! There was an awkward silence in thehall (again, the setting, Rochester, NY – this time at the UR stadium). Well, I'm sure coming out got rid of THOSE types! Moving on, what's gay pride without some crossdressing? Here's some of MY favorite drag queen heriones. I'm sure it was in their career goals:

Rooms On Fire	Stevie Nicks	CD Single
Woodstock	Joni Mitchell	Ladies of the Canyon
Blindman	Boy George	Cheapness & Beauty
Under Pressure	David Bowie & Queen	Bowie the Singles 1969-93
Get Down Make Love	Queen	News of the World

Is David Bowie still in his hetero phase? Shoulda never lost the Ziggy Stardust costume.

When We Collide	kd lang	Invincible Summer
I Spent My Last \$10 on Birth Control (& Beer)	Two Nice Girls	Like A Version
IWIAL	Loudon Wainwright	(I'll have to get back to you!)
Houdini Hora	Isle of Klesbos	Greetings from the Isle of
Klesbos		

Two Nice Girls was a GREAT band. Snatch up ANY of their stuff that you can find. Oh *stop*. Gretchen Phillips still plays around (I can't BELIEVE THIS). She was at the Michigan Womyn's Music Festival in 2003 when I was there sitting in with Isle of Klesbos. I got a chance to talk with her, which was...er...a challenge, since she just got out of the shower and didn't have a problem speaking to me, a total stranger, with a towel around her hips. Gee, I've never had trouble keeping eye contact BEFORE! No need to WISH I were a lesbian (IWIAL stands for I wish I were
