| Yes It Is  | <b>The Beatles</b>                         | Past Masters : Volume 1                   |

(Now it's time for a three song set from Liam, Noel and the gang and they follow The Beatles. Interesting!)

|                 |              |                                 |
|-----------------|--------------|---------------------------------|
| Wonderwall      | <b>Oasis</b> | What's the Story, Morning Glory |
| Slideaway       | <b>Oasis</b> | Definitely Maybe                |
| Turn Up the Sun | <b>Oasis</b> | Don't Believe the Truth         |

(I really wish Six Feet Under didn't end it's run. The next song is from excellent soundtrack that came out last year.)

|                      |                       |   |
|----------------------|-----------------------|---|
| Time Is On My Side   | <b>Irma Thomas</b>    | Six Feet Under: Vol. 2 Everything Ends    |
| Searchin'            | <b>The Coasters</b>   | 20 Collector's Records of the 50's & 60's |
| Handy Man            | <b>James Taylor</b>   | J.T.                                      |

| Tired Of My Tears    | <b>Susan Tedeschi</b> | Hope and Desire                           |

(This next song is a classic. Anyone see the movie, "Rumor Has It". Not Bad.)

|                          |                            |                           |
|--------------------------|----------------------------|---------------------------|
| Mrs Robinson (Version 2) | <b>Simon and Garfunkel</b> | The Graduate - Soundtrack |
| Superstar                | <b>Sonic Youth</b>         | If I Were a Carpenter     |
| Rainy Days and Mondays   | <b>The Carpenters</b>      | The Carpenters            |
| Can't Complain           | <b>Nickel Creek</b>        | Why Should the Fire Die?  |
| Sing Me Spanish, Techno  | <b>New Pornographers</b>   | Twin Cinema               |

(We're in the middle of a group of songs from 2005. Let's keep going. )

|                    |                        |                   |
|--------------------|------------------------|-------------------|
| Back To California | <b>The Wallflowers</b> | Rebel, Sweetheart |
|--------------------|------------------------|-------------------|

(That was quick. I really love this next song. It's one of my favorites from last year.)

|                     |                                |                          |
|---------------------|--------------------------------|--------------------------|
| All That I Had      | <b>Paul Westerberg</b>         | Besterberg               |
| Point Breeze        | <b>Marah</b>                   | Kids in Philly           |
| Change the World    | <b>Eric Clapton</b>            | Phenomenon - Soundtrack  |
| Teach Your Children | <b>Crosby, Stills and Nash</b> | No Nukes - Soundtrack    |
| Mr Tambourine Man   | <b>The Byrds</b>               | The Byrds' Greatest Hits |

(It's Kenny Loggin's birthday. Happy Birthday Kenny!!!)

|                                |                          |                                    |
|--------------------------------|--------------------------|------------------------------------|
| This Is It                     | <b>Kenny Loggins</b>     | Keep the Fire                      |
| Don't Fight It                 | <b>Kenny Loggins</b>     | High Adventure                     |
| This Never Happened Before     | <b>Paul McCartney</b>    | Chaos and Creation In the Backyard |
| Devil With a Blue Dress Medley | <b>Bruce Springsteen</b> | No Nukes - Soundtrack              |

( It's getting close to that time. Let's squeeze in as many more as possible.)

|                      |                      |                                       |
|----------------------|----------------------|---------------------------------------|
| Breathe Me           | <b>Sia</b>           | Six Feet Under: Vol.2 Everything Ends |

| Train Kept A Rollin" | <b>The Yardbirds</b> | British Rock Legends                  |
| I'll Follow the Sun  | <b>The Beatles</b>   | Beatles For Sale                      |

(There's time for two more songs. Where did the time go?)

|             |                    |                             |
|-------------|--------------------|-----------------------------|
| Firecracker | <b>Ryan Adams</b>  | Gold                        |
| Rave On     | <b>Buddy Holly</b> | American Graffiti: Volume 3 |
