Song Title	Artist	Album
<i>(Jo and I discussed what we mean by "comfort music." It's not necessarily soft and cuddly, it just has a familiar way about it. When you hear it, you know. For me, this first one is a good example...)</i>

Pale Moon	Shannon McNally	Putamayo Presents American Folk
Think About You	Eliza Gilkyson	Paradise Hotel

Storm Windows	John Prine	Souvenirs
No End	Sandy Denny	No More Sad Refrains
The Painter	Neil Young	Prarie Wind
Long Ride Home	Patty Griffin	Elizabethtown – Music From The Motion Picture
